

## 2003 King County Master Gardener Speakers List

Washington State University Master Gardeners of King County will speak to groups, on the topics listed below, as part of their community service of offering horticultural information. If you find a topic that interests you, contact the speaker directly. You and the speaker will then make arrangements for the talk. WSU/King County Master Gardeners speak as volunteers but may accept nominal reimbursement for supplies, mileage and other travel costs such as ferries, or other expenses. These Master Gardeners are knowledgeable presenters, and we are proud to have them as our representatives.
